

Project

Update

CSO SEPARATION AREA 12.2

July 2005

The contractor, F. L. Showalter, Inc., is continuing construction in your neighborhood. The following work activities will be taking place this month.

- THOMAS ROAD IS CLOSED TO THROUGH TRAFFIC BELOW MCCAUSLAND ST. THROUGH MID-SEPTEMBER FOR REPLACEMENT OF THE CREEK CULVERT BENEATH THOMAS ROAD.
- The creek culvert under Thomas Rd. will be removed. Traffic will not be able to pass at all. Please use alternate routes via Sussex St. and Perrymont Ave.
- Pipe work will continue in 1100 block of McCausland St. and on Lakewood St. where storm pipe and roadside drop inlets will be installed.
- Storm sewer and concrete curb work is underway on College St.
- Sanitary sewer work continues on the lower part of the LC campus and through the tennis courts/parking lots serving Thomas Road Baptist Church and will continue across Thomas Rd.
- Materials and equipment will be delivered and stored along the work areas on McCausland St., College St. and Thomas Road.
- Please watch for and heed the NO PARKING / ROAD CLOSED / WORK ZONE AHEAD signs posted daily to help expedite the work.

The contractor has this two-year project scheduled into 3 Work Zones. The Work Zones are tentatively scheduled as follows:

1.	Off-road below McCausland St. & the 1100 block of McCausland St., College St., Lakewood St., Westwood Ave. Starting in June there will be a three month closure of Thomas Rd.	Feb. 2005 – Sept. 2005
2.	Thomas Rd., Off-road below McCausland St., 1000 & 900 blocks of McCausland St., Brevard St., Newberne St., Stafford St., Kindley Ave. and Newland St.	June 2005-April 2006
3.	800 block of McCausland St., Edgar St., Sussex St. to Warren Ave., west-end of Perry Ave., Westover Blvd. and Yeardley Ave.	April 2006-Feb. 2007

Property owners in this area are encouraged to participate in the City Rainleader Disconnect Program. Call the CSO information line @ 847-7246.

We thank you for your patience and cooperation with parking during this construction. We urge residents to be cautious and keep children away from construction equipment and materials. Should you have any questions, please call any of the telephone numbers listed below.

You can also visit the Lynchburg CSO website at www.lynchburgva.gov/cso to learn more about the City's Programs.
